**Gumphof** (or, the winery Gump) is nestled in the steep slopes at the entry of the Isarco Valley and its vineyards stretch from an altitude of 350 to 550 metres (1,150-1,800 feet) above sea level. The five hectare (ten acres) are planted with Pinot Blanc, Sauvignon, Gewürztraminer, Schiava and Pinot Noir wines.

The Prackwieser family has owned the Gump Hof for more than 200 years. The building itself, however, goes as far back as 1546. Markus discovered his passion for wine in the mid-90s and took over the family heirloom from his father in the year 2000. His wines have been sought after both nationally and internationally, especially his outstanding Praesulis Selection wine range. The name Praesulis derives from the nearby Castle of Presule.
