Vineyard Notes

Production Area: Montignano.

Vineyard: Lacrima vineyard, 6 acres dedicated to the production of our rose wines.

Exposure: Southern.

Soil: Clayey.

Training system: Low spurred cord.

Vineyard Density: 5,000 vines per hectare (2,000 vines per acre).

Winemaking Notes

Harvest: Beginning of September.

Vinification: The must does not remain in contact with the marc during maceration, but derives exclusively from soft direct pressing. The first-pressing must is immediately left to fermentation at a low temperature in steel tanks.

Aging: Long Martinotti method with prolonged prise de mousse for 4-5 months on fine lees.

Production: 4,000 bottles.

Cantina Luigi Giusti has roots that go back to 1903, when Filippo Giusti returned to Italy from the United States and bought a piece of property near his hometown. His family grew along with a passion for the land and, since the 1930s, for the cultivation of the vine. In the 1950s, Filippo's son Luigi and daughter-in-law Maria, acquired the historic cellar of the Cantina Castelferretti. The winery began a long agricultural project focusing on the cultivation of the Lacrima varietal. While the Castelferretti cellar is still used for the sale and aging of bottled wines, in 1997 Luigi's son Piergiovanni Giusti, with the help of his wife Elena, bought a new cellar in Montignano, within the Lacrima di Morro d'Alba DOC boundaries. Today he continues his parent's vision – to produce quality wines from the native grape of the Marche which are a distinct expression of the land and the indigenous Lacrima di Morro d'Alba.
