Cantine Marisa Cuomo started in 1980 when Marisa Cuomo and Andrea Ferraioli took hold of 10 hectares in Furore on the famed Amalfi Coast. These coastal vineyards are perfectly arranged on the stone-walled terraces along the cliffs rising over a thousand feet above the sea. The grapes benefit from sunny southern exposure and a unique micro-climate caused by a combination of ocean currents, mountains, and high-pressure systems. The volcanic and alluvial soils of the vineyards produce relatively low yields, and the grapes are indeed flavorful. Along with oenologist Luigi Moio and the estate's viticulturists, Marisa Cuomo focuses on the native grapes which are just as unique and extraordinary as the Furore coast.
