Aging: In 500 liter tonneaux for about 8 months.

Winemaker: Paolo Capriotti.

Poderi San Lazzaro began when Lorenzo Capriotti purchased a farm in the hills of Offida. The property was an excellent location for viticulture atop a hill 290 meters above sea level and only 15 kilometers (9 miles) from the Adriatic Sea and 25 kilometers (15 miles) from the Apennine mountains. Lorenzo began by planting vineyards of Montepulciano, Sangiovese and Passerina grapes.

Paolo Capriotti, with his wife Elisetta, took over in the farm and winery in 2003. They added a modern wine making facility in 2012 and expanded the amount of Passerina vines and added Pecorino and Grenache vineyards in the area around the winery. The estate now organically farmed has 9.5 hectares of vineyards with plots between 15 and 60 years-old, two hectares of olive trees and two more of forest.
